

I am writing to invite you to the 21st Annual Spring Forum of the Lower Grand River Organization of Watersheds ([LGROW](#)), which will be held June 13th-15th, 2024. LGROW is dedicated to promoting awareness, education, and stewardship of the Grand River and its watersheds. The Forum serves as a platform for everyone to connect with the Grand River. It is also an opportunity for members of the community to learn about the challenges and opportunities facing the Watershed and to share their thoughts and ideas on how we can work together to protect and enhance this important natural resource. The 21st Annual Spring Forum will be an excellent opportunity for you to show your support for the Grand River Watershed and LGROW would be honored to have you as a sponsor and a guest.

We are pleased to offer five levels of sponsorship for the Spring Forum. The programing and benefits for each level of sponsorship are as follows:

- \$1,000+ **Grand River Guardian**: Listing as the Title Sponsor on the Spring Forum page on LGROW's website, recognition on our social media platforms, name displayed at all Forum Events and four tickets to our Grand Lady River Cruise event on June 14th.
