WHAT DOES ALL THIS MEAN?

Welcome to mygrcitypoints! What's the "point" of this website you ask? It's all about making Grand Rapids a better city. By working together, we can create a better economy, environment, and community. mygrcitypoints is a new way to capture and create community spirit by supporting local government, local businesses, your neighbors, and you!

This home-grown effort works by linking individuals, organizations and businesses with our City government through [mygrcitypoints.com](#) to encourage recycling, volunteering and community building.

This first-of-its-kind, local rewards program gives Grand Rapids residents the opportunity to earn points by recycling and allows residents and non-residents alike to earn points through volunteering. Points can then be redeemed for discounts on products and services at local
